

Another NEW Fabtron saddle!

another American Made saddle by Fabtron.

an exceptional lightweight saddle - period!

the

Easy Rider

THE ALL AROUND

TRAIL

SADDLE

by

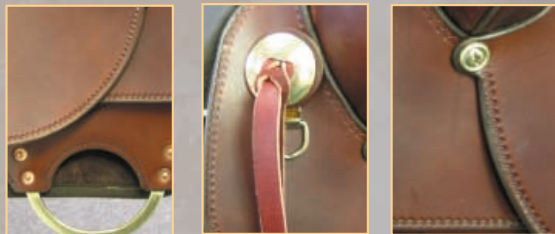

With the advantage of having the most advanced leather cutting system in the saddle industry today, Fabtron has been able to perfect the "Easy Rider" saddle - a completely new design.

From the top quality leather top to the solid brass rigging, the "Easy Rider" has taken the lightweight Leather/Cordura trail saddle to a new level of quality, design, fit and riding comfort.

Featuring:

- Top quality leather top
- New close-contact skirt
- New 2-piece perfect-fit jockey
- Dropped C-plate front rigging
- Raised front with 7" higher and wider gullet
- Specially-designed all-around saddle tree
- 6-piece saddle string set
- Solid brass, bleed-thru conchos.
- Quick-change stainless steel stirrup buckles
- 3-1/2" cantle and 1-1/2" Cheyenne roll

The Ralide saddle tree - with full quarter horse bars - fits most horses. The specially-designed, 7" higher and wider gullet saddle tree has a little extra front-to-back twist on the bars and a little flare on the ends and allows easier movement. The dropped C-plate front rigging provides a true 'balanced' ride. Premium 'closed cell' 1/2" thick seat padding completes Fabtron's new "Easy Rider" all around saddle.

Weighing in at only 22 lbs, the "Easy Rider" is easy to transport and set in place. A full 5-year warranty provides protection against saddle tree breakage. Included is a top quality nylon Off Billet, Tie Strap and Cinch.

INCLUDES: CINCH, OFF BILLET TIE STRAP!
