#253912
Loose 7 Shank Spotted Snaffle Bit w/ 3/8" Sweet Iron mouthpiece. Bit has a 5" mouthpiece with 8 1/2" cheeks. Designed for the horse that tries to lip a bit. A bit that has good control but not to severe.
\$48.60

#253915
Loose 7 Shank Spotted Snaffle Bit. Bit has 5" mouth with 8 1/2" cheek. The limited travel keeps snaffle from putting excess pressure on the outside of the bars. Excellent for a nervous horse, mouthpiece acts as a pacifier while applying light tongue pressure.
\$51.30

#253914
Loose 7 Shank Spotted Bit. Bit has 8-1/2" cheeks with a 5" correction mouthpiece. This bit is used by many professional ropers for it's ability to maintain both vertical and lateral control of the horse needed to rope a steer.
\$52.20

#253913
Loose 7 Shank Spotted Bit. Bit has 8-1/2" shanks with a 5" mouthpiece. The mouthpiece is a 1/2" medium port. Medium to good control that has just enough mullen relief to make it comfortable and easy to pack.
